The prices refer to destinations according to specified number of people. Trips by car should be ordered a day before the trip or earlier. The prices include transportation expenses, taxes and soft drinks. The prices don't include entrance fees to historical and cultural attractions, museums and insurance. The tour guide service is optional and the price depends on preferred language. In case you need guide service please [contact us](#) in advance and be notified that the price is subject to additional changes. For the tours with duration of more than 6 hours we will have stops for the lunch in the local restaurants at an additional price (3000-5500 AMD per person) according to your chosen lunch option.
